(..providing Leadership Workshops with fresh ideas...)

## MINISTRY UPDATE— MARCH-APRIL 2017

**NEXT: PRAYER DAY— MAR 31, 2017**

This year Toolkit Ministry begins its 17th year sharing fresh ideas to teaching teams in reaching the children for Christ. We help provide tools and practice sharing with in-church seminars and convention workshops.

We have had the joy of helping volunteer teachers that faithfully reach into our public schools through Good News Clubs and Character Building Clubs while the doors are still open to teaching from the Word of God.

This year we hope to support the Awana missionaries outreach with regional training in the Maryland area. Special visit and contacts provided by Awana missionaries have been really helpful. Special thanks to Chris Mikesh of

[www.awanamidatlantic.org](http://www.awanamidatlantic.org) for his referrals and introductions to local churches on our behalf.

We pray for the public schools in our nation and ask that the Word of God may once again be presented. Jesus said, *"You shall know the truth and the truth shall set you free"*. (John 8:32)

Dr. Nancy was able to spend a few days with Missionaries Bob and Maureen Hoffman of Familynet International—missionaries to cyberspace. They have provided website support and emailing support for Toolkit for the last 16 years. Bob has set up a website in multiple languages as well as a children's addition to aid in sharing gospel. <http://gods-bridge.com>

## UPDATE- PG 2 CONTINUED

### What is involved with an in-church seminar?

This question comes up frequently so here are basic steps:

#### Host church responsibility:

1. Select a date (most common Saturday AM) that will work with church calendar.
2. Select TKM workshops that fits best.
3. Signup participants and ask church leadership to promote and provide opening devotional and challenge at Seminar.
4. Provide space, snacks and copies of notes.

#### Toolkit will provide:

1. Promotional materials for reproduction
2. Seminar blackline notes for reproduction
3. Presentor, powerpoint equipment and visuals, helper during Seminar.
4. Event Agenda to co-ordinate with church leadership before and after teaching time.

Usually if you contact Dr. Nancy she will be glad to meet in person with church-leadership either in person or by phone conference.
